To Whom it May Concern

I Geraldine Mills, CGU Underwriting Manager NSW Workers Compensation Fee State would like to acknowledge that I have known Peter Woods, Owner of Woods & Day Solicitors for the past 28 years in both a personal and professional capacity. My dealings with Peter Woods were from MMI/Allianz 22 years and CGU Insurance 7 years.

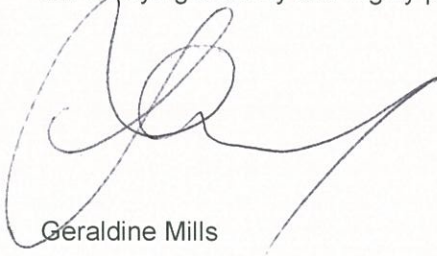

Peter Woods is one of a panel of solicitors that I use for Debt Collection and Recovery of overdue workers compensation premiums on behalf of the nominal insurers icare Workers Insurance.

I can strongly recommend the professional capacity of this firm in handling their legal duties at the highest performance levels.

Woods & Day Solicitors have the capacity to:

- Perform high volumes of work
- Provide advice on Liquidations matters and assist and support at Creditors Meetings
- Assist staff on any aspect of the legal processes and recommendations

I have no hesitation in recommending Woods & Day to any prospective clients knowing that you will always get timely and highly professional services and advice.
